

## **SOLID WASTE COLLECTION AND DISPOSAL PROCEDURE**

### **Residential Solid Waste:**

1. All household waste must be placed in a heavy-duty plastic bag that does not exceed 40 pounds including contents and then placed in a residential container. Plastic bags must be placed at the street edge of the street or will not be serviced.
2. Residential waste must be placed at the street edge in front of the residence no later than 8:00 A.M. on the day of collection and brought back to the residence by midnight that day.
3. Residential trash cans are provided by the property owner. Residential containers can be no larger than 60 gallons.
4. No yard waste, special collection items, or building materials will be collected or mixed with any regular household waste.
5. Residential customers are limited to a maximum of four (4) containers.
6. For an additional fee, special service may be provided for at house collection of solid waste. All at-house collection must be placed within 100 feet of the edge of the pavement.
7. Only POA licensed waste haulers can pick up residential solid waste within the boundaries of Hot Springs Village POA. The only exception is the THA has been allowed by the POA board of Directors to hire their own licensed waste hauler to serve the THA residents.

### **Yard Waste – Call in Required – 501-922-5524**

1. A yard waste tag is required on each biodegradable bag. Yard waste tags can be purchased for \$.50 per each bag to be removed. Yard waste bags can be purchased at the Walmart or local hardware store.
2. Yard waste is picked up by special request only and must be placed within five (5) feet from the edge of the road.
3. Leaves and grass must be bagged in a biodegradable paper bag and weigh no more than 40 pounds. There is a limit of 50 bags per collection.
4. Limbs must be cut to lengths of four (4) feet or less, must be bundled, no more than 3" in diameter, and weigh no more than 40 pounds.

### **Special Collections – Call in Required – 501-922-5524**

1. Special items include furniture, appliances, water heaters, grills, metal pieces, wood, tires, etc. One (1) load or pickup is defined as the amount that would fit into a 6-foot by 8-foot truck bed. **Crews will only pick up a LIMITED amount of construction material in a Special pick up (ex. 120 sq. ft. of rolled carpet, 20 boards of decking material, 20 boards of landscape timber.) All nails must be removed prior to pick up.**
2. Special collections are every Friday unless noted due to a holiday pick up schedule.
3. Special collections are by special request only and must be placed within five (5) feet from the edge of the road.
4. There is a \$30.00 charge for special collections per load or pickup.

### **Recycling:**

1. Hot Springs Village does a recycling event every Thursday from 8-12:00 at Grove Park. All other recycling may be taken to the following locations:
  - Garland County Recycle Center, 685 N Highway 7, HSV
  - Hot Springs Recycle Center, 218 Runyon St., Hot Springs
  - Saline County Recycle Center, 18511 Sardis Rd., Bauxite

### **Commercial Solid Waste:**

1. All commercial establishments within Hot Springs Village are required to use a commercial bin or cart supplied by the POA. The **Property Owner will be responsible for setting up the accounts for their tenants and will be responsible for all billing and payments. The Property owner will be responsible for ensuring their tenants have enough containers sustain the waste they generate.**
2. If the commercial customer uses a bin it must be placed in an accessible area designated by a Public Works representative in conjunction with the tenant or landlord.
3. All commercial carts must be pulled out to the street.
4. Commercial areas containing two (2) or more tenants may elect to share a commercial bin(s). **The property owner will be responsible for all billing and payments.**
5. All commercial customers will be obligated to keep clear anything that will prevent an automated truck from having access to commercial bins.
6. Only POA licensed waste haulers can pick up commercial solid waste within the boundaries of Hot Springs Village POA.
